Dear Mr. Presogna:

Thank you for sending me the information regarding taxes. I appreciate this opportunity to correspond with you.

As the House of Representatives formulates the FY '98 budget resolution we will keep your letter in mind. I recognize that America is built community by community, each one different from the next. For this reason, I push for returning power to the States and removing power from the bureaucrats in Washington. The information you have sent will assist me in this endeavor.

Again, thank you for sharing the information with me as it will be extremely helpful in the budget development.

Sincerely,

John R. Kasich
Chairman
